

AIADA

Political Auction
Committee

AIADA Political PAC Fund Committee is diligently fighting for the rights and interest of Alabama Independent Automotive Dealers in Montgomery and across the State of Alabama. It is critical that all AIADA Members support the A.I.A.D.A. Auto Pac, we have many issues that will affect us on a yearly basis. The collective clout of AIADA and its member base enables The Alabama Independent Auto Dealers Association to speak with one strong unified voice as we tackle these issues.

Thank you for your support!

At the 2016 AIADA Convention, the AIADA Bboard voted to pledge \$1.00 for each vehicle they sale. This is sent in monthly to our AIADA Office. We would like to add your dealership to this list.
